

Senior Portraits for Yearbook: Carlynton Class of 2024

Deadline: October 27, 2023

Yearbook Advisor: Kristen Fischer - Kristen.fischer@carlynton.k12.pa.us

You have two options for your yearbook senior portrait:

Option 1: Use the StudioTen school picture day portrait.

- Free (unless you choose to buy images)
- Portrait automatically meets requirements
- Portrait automatically shared with yearbook staff

School picture day is scheduled for Weds., Aug. 30th @8am; Make-up day is Thurs., Oct. 19th @9:30am

Option 2: Hire a professional photographer.

- Costs vary
- One portrait must meet requirements below for yearbook use
- Portrait must be received by you in time to be given to Mrs. Fischer by October 27, 2023

The following information applies to those who hire their own photographer.

It is your responsibility to get the yearbook portrait to the yearbook staff. Your options are:

1. Upload the photo to the Class of 2024 Google Classroom in the appropriate portal
2. Transport a hard copy of the photo to school (attention: Mrs. Fischer / Yearbook)

Technical requirements for digital files:

- a. Must be a .jpg or .jpeg file
- b. Any scanned photo must be high in resolution (approx. 300 dpi)
- c. Pictures from cell phones MAY not offer high enough resolution, but often can work
- d. Filename must include the senior's last name and *then* first name (ex: **Fischer_Kristen.jpg**)

Physical Photos:

- a. Ideal dimensions: 2 inches wide by 2.5 inches tall
- b. Please affix or write student's first and last name on back

To achieve consistency among all portraits, note the following yearbook requirements:

- Must be a head and shoulders / torso shot
- Must show student centered, facing the camera, with both eyes visible, and should be sitting or standing
- No props (animals, hats, sunglasses, sport equipment, instruments or additional people)
- Minimal background details; simple and uncluttered backgrounds look best
- No name or date stamps

Optional Baby Picture for Yearbook

Traditionally, a baby picture is included next to the senior portrait. If you want a baby picture to appear along with the senior picture, the deadline and process is the same: uploaded jpegs and labeled physical photos are both acceptable.

Digital photo filename: Last name and *then* first name PLUS "Baby" (ex: **Fischer_Kristen_BABY.jpg**)

Physical Photos: Please affix or write student's first and last name on back

*****Please note:** Yearbook senior portraits and baby pictures submitted will be utilized by the senior class officers for the end of the year awards ceremony and/or any senior class promotional or celebration marketing by the district.
