

The background of the slide features the Georgia Institute of Technology Yellow Jacket logo. It is a circular emblem with a yellow border. Inside the circle, the words "GEORGIA" and "INSTITUTE OF TECHNOLOGY" are written in a circular path around the perimeter. In the center of the circle is a detailed illustration of a yellow jacket's head, facing forward with its mouth slightly open, showing its teeth and tongue. The jacket's head is set against a background of horizontal yellow and black stripes.
