

CARLYNTON SCHOOL DISTRICT

July 2023

Dear Parents and Guardians,

I hope you and your family are enjoying the summer break. I wanted to let you know about immunization requirements that will apply to students entering 7th grade in the 23-24 school year.

The meningococcal conjugate vaccine (MCV) and Tdap vaccine are required for entry into 7th grade. We are requesting that you send in this information as soon as possible.

PLEASE REMEMBER THAT YOUR CHILD MUST HAVE THIS IMMUNIZATION IN ORDER TO ENTER 7TH GRADE. You may use the form below or submit a copy of your child's immunization record to the Nurse's Office. Thank you.
